Fastmark® M35

Portable and Feature-Rich

Compatible with popular emulations or our proprietary PAL® smart app with programming language to format to your exact requirements

The Fastmark M35 has a color LCD display and is lightweight (weighing in at under 2 pounds) and mobile. Great for manufacturing, transportation, retail, and healthcare applications. Withstands drops of nearly 6 feet (or over 8 feet with a protective case). Receipts and barcode labels can be printed using direct thermal technology in 203 dpi using up to 3 inch wide media. Couple the Bluetooth version with a Bluetooth scanner for a hassle-free combination. Also equipped with WiFi connection capability.

Equipped with popular emulations or our optional proprietary PAL® smart app with programming language that reads the incoming data and formats the output to your requirements.
